

## VICTOR VALLEY AMATEUR RADIO CLUB NET

QST QST QST

This is the Victor Valley Amateur Radio Club, K6QWR, Net. Your Net Control this evening is \_\_\_\_\_ and my name is \_\_\_\_\_.

This Net is conducted through the WA6EFW repeater, which is owned and maintained by K7GIL, and meets each Sunday evening at 1900 hrs.

The repeater is programmed at 146.94 MHz, – 600 offset, with a PL of 91.5 (encode and decode).

If the repeater is down, tune to 146.535 simplex.

(reset)

Before we start, do we have any Emergency or Priority traffic?

(reset)

This evening's order of business will be: all announcements, then role call, followed by guest check-ins.

All amateurs are invited to check into the Net. You will be put on our regular roster after you check in three consecutive times.

The purpose of this Net is to provide information of interest to amateur radio operators in our area.

(reset)

The Victor Valley Amateur Radio Club Board meets at 1830 hrs on the 1st Tuesday of each month at Johnny D's Restaurant, on Bear Valley Road.

Johnny D's is 1/4 mile west of the intersection of Apple Valley Road and Bear Valley Road, in Apple Valley.

The Victor Valley Amateur Radio Club meets at 1900 hrs on the 2nd Tuesday of each month at the Mojave River campus of the Lewis Center. Everyone is welcome.

The dates and times of all Club activities can be found on the Events Page of the Club's Website at:

V V A R C .org, / V V A R C .com, / V V A R C .net

(reset)

**HAM Radio testing sessions in the local area include:**

**A.) First Saturday of each ODD numbered month at the Hesperia Fire Station at the intersection of Olive Street and H Ave, south on Main Street.**

**B.) Third Saturday of every month at Fire Station 311, on the San Bernardino County Fairground's in Victorville.**

**Complete details of all testing sites (local area and Inland Empire) can be found on the Community Page of the Club's website.**

**(reset)**

**Do we have any Victor Valley Amateur Radio Club announcements? If so, please come with your call.**

**(reset)**

**There is an Apple Valley ECS Net on Monday night at 1900 hrs, on this frequency. This is an open Net and all Amateurs are invited to check in.**

**Do we have any ECS or ARES traffic at this time? If so, please come with your call.**

**(reset)**

**In addition, The City of Victorville ECS has their weekly net on Thursday nights at 1900 hrs. The Victorville Repeater is 146.115 MHz, + 600 offset, PL 91.5 (encode and decode). This is an open Net and all Amateurs are invited to check in.**

**The Victorville repeater is a commercial repeater and does not have a squelch tone at the end of a transmission. So kechunking the repeater will not work.**

**(reset)**

**Do we have any general traffic, for sale or want items, or general information for the Net?**

**(reset)**

**"This is the Victor Valley Amateur Radio Club Net, \_\_\_\_\_ Net Control"**

**Now for Roll call. If you would like your spouses to be checked in, please give me their call sign when you check in.**

**\*\*\* Do role call; identify stations during and after role call \*\*\***

**Are there any late or missed members?**

**(reset)**

**Are there any visitors wishing to check in this evening? Please come slowly with your call sign.**

(reset)

**Do we have any late message traffic for this Net?**

(reset)

**Last call for late or missed members or visitors.**

(reset)

**Hearing none, at this time I will close the Net.**

**This has been the Victor Valley Amateur Radio Club K6QWR Net. Your Net Control has been \_\_\_\_\_.**

**This Net has been conducted through the WA6EFW repeater, which is owned and maintained by K7GIL. Thank you all for your participation. We will close the Net at this time of 19 hrs.**

**Good night. The frequency is now clear.**
